**KinderGolf wins Promising Franchisor Award 2007!  
Sets new benchmark with unique preschooler golf franchise.**

KinderGolf, the world's first and only preschooler golf specialist for young children from two to seven years old, received the prestigious Promising Franchisor Award 2007 from the Franchising & Licensing Association, Singapore during the FLAsia 2007 Gala Dinner on 21<sup>st</sup> Sep 2007.

“It is an honor to be nominated as a Promising Franchisor finalist amongst such worthy contending companies. It is an even greater honor to win this prestigious Promising Franchisor award” – says Ms. Donna Lee, Founder & CEO, KinderGolf.

Founded in 2000, KinderGolf provides an innovative learning environment that teaches each child golf in a fun, safe and holistic way, with creative children-specific teaching methodology and instructional aids.

“This award marks a significant milestone in the growth of KinderGolf. It validates the demand for the KinderGolf franchise business and the readiness of our team to bring this very unique concept to more countries around the world.” – adds Ms Donna Lee.

There are 12 KinderGolf schools across Singapore, Indonesia and Malaysia with 3 new KinderGolf schools opening in the next two months to meet the increased demand in Singapore, Jakarta and Surabaya. Expansion plans are in place to open KinderGolf schools in USA and China in the near future.

Headquartered in Singapore, KinderGolf is an innovative and safe learning environment that introduces children to golf in a fun, safe and holistic way, with proven children-specific teaching methodology and creative instructional aids. KinderGolf specializes in golf instruction for children, in particular preschoolers from as young as two onwards.
